MAINTENANCE AND REPAIR OF INSTALLATIONS SA

The company was founded in 2007 and is currently active in the area of distribution, operation and maintenance of building facilities.

In 2017 it was renamed INVITE SA after the absorption of a part of INMAINT (INTRAKAT Group), one of the leading (technical) companies in the industry, which was active in the facility from 2003 to 2017, the year Invite took over continuation of support for private and public works as one of INMAINT's successors.

Maintaining the know-how of all these years through executives and staff who continue their activity in the new company constantly proves the high level of services offered to clients in hospitals, private companies, public organizations, sports facilities, industrial spaces that maintain and are constantly expanding their cooperation with the company by demonstrating their confidence in the high level of service and reliability they offer.

As a result, the company, besides technical services, has been developed to offer all the services for the universal support of the building facilities to its clients such as cleaning, guarding, catering, pest control and green services.

TO

A company based on the experience of the maintenance and support of large and demanding facilities (INTRAKAT Group) in the range of building infrastructure (Industrial Areas, Sports Centers, Hospitals, Office Buildings, etc.) which is certified for all work of large domestic and multinational groups such as JLL INTERNATIONAL, which has been achieved through objective assessment criteria.
